NEW FROM CASIO

A stylish addition to your retail environment
EASY-TO-READ LCD DISPLAYS

Backlit LCD
The backlit two-line LCD is easy to read even in dimmed store interiors.

Customer display builds
customer confidence
The rear customer display reduces check-out errors and builds customer confidence by allowing customers to confirm sales transactions.

DESIGNED FOR OPTIMAL OPERABILITY

Easy-to-use keyboard
Ergonomic design provides greater ease of use.

Helpful keys
One-touch call up of frequently used functions
<PAPER SAVING> This function is used to save printing paper (no receipt issuance and compressed journal printing).
<POST RECEIPT> In paper saving mode, receipts can be issued on demand after transactions.
<TAX PGM> This is a shortcut key to tax rate setting mode.
<HELP> This key is used to print simple guidance notes about basic settings and operations.

Multi-language support
Designed for global use, the register supports printing in English, Spanish, French, Arabic and Vietnamese.
(The supported language differs depending on your area)

SD CARD COMPATIBLE

SD card data transfer for
efficient operation
The use of a SD card to save/load cash register settings or save sales data on a PC supports reliable, efficient register operation.

HIGH-PERFORMANCE THERMAL PRINTER

Quiet operation and sharp,
clear printing
The quiet thermal printer delivers high resolution of 384 dots per line. Drop-in paper loading makes paper roll replacement quick and easy.

OTHER FUNCTIONS

Easy initial setup
Basic settings such as language, date, time, and tax rate will automatically start when you use the machine for the first time. The main display and printer will provide step-by-step setup guidance.

Simple character setting
Characters can be easily entered from the 10-key keypad to set the department name and PLU name. The main display enables you to confirm input characters at a glance.

Electronic journal function
The Electronic Journal function enables you to save the contents of sales transactions in built-in memory.

Other functions
- Journal or receipt printing selection
- Customizable receipt message
- Calculator mode
- Secure mode key switching
- Useful multipurpose tray
- Battery backup for memory protection
(Batteries are not included with the unit.)
